- Detail-oriented and able to handle multiple tasks simultaneously
- python
- html / css
- java
- c
- physics
- self learning

## PROJECTS

---

### 1. Netflix - home page clone

I am an aspiring Data Science student, and I began my journey on Brototype by creating a static website inspired by Netflix.

### 2. Fizz - home page clone

Following my first project, I developed Fizz, a static website that allowed me to strengthen my understanding of layout design, styling, and basic front-end development.
